The circulation of the DAILY NEWS is steadily increasing and on Monday passed the 500 mark by a clear majority of 100. Monday's edition of the paper was exhausted fifteen minutes after the last form was off the press. 600 for a daily in a city the size of Daytona is a very creditable showing and is evidence that the public appreciate our efforts. It shall be our aim to build the circulation to a still higher figure and to accomplish this will make it better and better each day.

Will Vote on Bonds.

If all signs prove true the county commissioners will call an election, at their next meeting, for the purpose of deciding whether Volusia will issue bonds for good roads. All the commissioners were in Daytona this week and from what the Daily News can learn there seems to be no doubt but what an election will be called.

It is estimated that \$250,000 will be required to build a good system of hard surface roads over the county. This seems, on its face, to be a large expenditure, but the returns of the investment will be great. Then again, part of the burden of cost will fall upon future generations.

Coldest in Ten Years.

Yesterday morning was the coldest that Florida has witnessed since the big freeze of 1895. At five o'clock the thermometer registered 18 degrees above. Orange trees are not damaged, but the fruit remaining on the trees was frozen solid. Tender vegetables were nipped very badly. The plumbers were kept very busy all day yesterday, repairing water pipes which burst from the cold. The water pipes on several automobiles also froze up.

Gorton's Minstrels.

The clever comedians, Welby and Pearl, are with Gorton's minstrels this season. Their laughable act, "Three Ages in Black," portraying the quaint humor and amusing peculiarities of the South in character work. The sketch, which is said to be one of the strongest of its kind, closes with a transformation scene, introducing Miss Cleone Pearl Fell, the phenomenal little comedienne and dancer. Although very young, Miss Fell has already achieved remarkable success in her monologue, as well as in her dancing specialties, in which she displays great skill and grace. St. Augustine Record.

This company will be here today and a large audience will no doubt greet them at the Opera House.

An Accident

Oliphant Hitch, son of O. H. Hitch, a Daytona merchant, was knocked off his wheel Wednesday and sustained several painful injuries.

He was returning from the beach and had passed the toll house on the south bridge when he saw a hack and an auto approaching. He rode up close to the railing and stopped in order to avoid being hurt. The hack swerved sharply to avoid a collision with the auto and struck Oliphant knocking him from his wheel. The boy was taken home in the hack and Dr. Bohannon called who found him suffering more from nervous shock than actual injuries. He is up and limping around and says that he is not afraid of an auto.

W. P. Brawley, Chattanooga, Tenn.; E. M. Hopkins, Savannah, Ga.; Jas. B. Fraley, Chicago, are guests of The Bennett.

Alexander Hughs and wife, of Minneapolis, gave an informal dance at The Bennett Tuesday night. A colored string band furnished music and the guests spent a pleasant evening.
